How to Access this Product

You can access the phone number append service by going to our web portal Data Express (www.dataexpress.vedaadvantage.com). Once you've registered, you can upload your records and submit a job for processing. When the processing is complete you will receive a complimentary Summary Report by e-mail that summarises the results achieved. If you choose to purchase the cleansed data, you may then download the output file.

Requirements

In order to use Data Express you will need to do the following:

- Use Microsoft Internet Explorer version 5.5 or above
- Go to www.dataexpress.vedaadvantage.com and register for the service
- Compile the file of address records you wish to enhance, including at minimum the following fields:
 - Address
 - Post Code
 - State
- Ensure your file is saved in either a .TXT or .CSV format (data held in common applications like Excel or Access can easily be saved or exported into a .TXT or .CSV format)
- Open your .TXT or .CSV file using a text editor (e.g. Microsoft Notepad) – you will be asked to cut and paste a sample of your data from the text editor into Data Express

Deliverables

- After you have uploaded your file and submitted a job to Data Express for processing, you will receive a complimentary Summary Report by email
- The Summary Report will summarise the number and % of the records you submitted where Phone Numbers were successfully appended you may then decide whether to purchase and download the data
